

FLOORY

A top machine with an attractive price – swift, compact and reliable.

Professional Cleaning Equipment

The powerful and energy-saving 700 watt engine ensures an excellent suction power at a low noise level and highly efficient dirt absorption with its 11 l container volume.

As with all other SPRINTUS products, the design and development are of high quality and practical in every detail. With our FLOORY, the user receives a perfect all-round package, a reliable and economic partner for hard floors and carpet. Aluminium tube, elastic bumpers and easy emptying. The 10m power cable and the 2,0m step resistant suction hose without memory effect ensures maximum maneuverability.

Closable, voluminous cable hook.

Power regulation adjustable to all types of surfaces.

Large foot switch for turning on and off without bending down.

Maximum ergonomics: with a weight of only 4,2 kg, the Floory can comfortably be carried with one hand.

Large wheels with spoke design.

Robust running castors with bumpers.

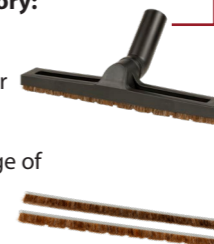

Four accessory slots on the back. Parking position for optional turbo brush or parquet nozzle

Optional Accessory:
