

325mm Open Dustpan - White

SKU: DP13W

804548008449

325mm open dustpan made with impact resistant Polypropylene for tough and food contact environments. The plastic is 3mm thick (typical domestic dustpans are about 1.3mm thick), and is even thicker at the lip, to ensure absolute straightness, and durability. The pan itself is 305mm across at the lip (325mm at the back) and over 152mm deep, and has a 130mm gripped, easily held handle. The DP13 is designed for use with our B866 or B867 hand brushes.
